Benefits OVERVIEW

Are You Eligible?

*To be eligible, you must have worked 2 consecutive months of 80+ hours and 80 hours in the current eligibility month. You can order a new pair of shoes 12 months after your last pair was shipped to you as long as you continue to work enough hours to be eligible for the program. You do not have to be enrolled in the SEIU 775 Benefits Group health plan to receive shoes.

30-Day Satisfaction Guarantee

Love your shoes or send them back – no questions asked. SR Max guarantees you'll be entirely satisfied with the comfort, fit, and durability of your slip resistant shoes. Each pair is backed with a 30-Day Satisfaction Guarantee. So, if you aren't completely pleased with any shoe you order from SR Max – no matter the reason – simply send them back (within 30 days of the shipment date) and let SR Max know if you'd like to give another pair a try.

Advanced Exchanges

Caregiver Kicks "Advanced Exchange" program allows you to place your replacement order with SR Max as soon as FedEx has your return shoes scanned into their system. Visit www.srmax.com/caregiverkicks/policies/returns for full program details.

Prepaid FedEx Return Labels

In the event that a shoe needs to be returned to due to a sizing exchange, style exchange, or defect within the specified time frame for coverage, SR Max has provided a FedEx return label along with your original order to use in returning the shoes to SR Max. Please ship the shoes along with a copy of your original paperwork, and your original return label, which can be found online at caregiverkicks.com, to help SR Max expedite your return or exchange.

(Prepaid FedEx Return Labels - Continued)

NOTE: FedEx return labels are to be used to return new, defective, or 30-Day Satisfaction Guarantee-qualifying footwear only. If non-defective or worn footwear is returned to SR Max for exchange after 30 days, no exchange will be issued and the shoes will be returned to you.

6-Month Defect Warranty

If a pair of slip resistant shoes ordered from SR Max are less than 6 months old and, in SR Max's determination, show normal wear, an exchange will be issued towards a replacement of footwear determined to be defective. No exchange available for shoes worn out or ruined due to work environment. If you believe your shoes are defective, please call the Caregiver Kicks number at 1-833-599-9621.

Return Policy

All NEW shoes may be returned to SR Max for exchange up to 60 days from the date of your order. **Shoes worn into a work environment cannot be exchanged unless utilizing the 30-Day Satisfaction Guarantee program.** Try your new shoes out at home on a clean, dry surface to verify a proper fit before wearing them into the workplace. This way, if you need to return your shoe for a different size or style, the shoe can be returned for exchange.

Defective Footwear

If a defective shoe is less than 6 months old and, in SR Max's determination, shows normal wear, an exchange will be issued.

Normal Wear

No exchange or credit is given on shoes worn out or ruined due to work environment.

WARNING: This product is only part of an overall safety program. No shoe can protect you from injury in all situations. All safety shoes are used in environments where hazards exist beyond the scope of protection a safety shoe can offer. SLIP RESISTANT SHOES ARE NOT "Slip Proof". Environmental factors including but not limited to oils, water, dust, flour, ice, objects on the floor, or other hazards can reduce the effectiveness of slip resistant footwear. Also, cold environments including freezers and coolers will significantly limit the effectiveness of slip resistant footwear. It is possible for you to slip, fall, and/or be injured while wearing/using personal protective equipment including slip resistant shoes or ASTM rated safety shoes. You should always take precaution and consider the environmental hazards around you when wearing your protective footwear. All products are sold subject only to the warranties given by the manufacturer. If the product is marked as meeting an ANSI or ASTM standard, then the product carries a manufacturer's warranty. Saf-Gard Safety Shoe Company/SR Max Slip Resistant Shoes provides no express warranty and expressly disclaims all implied warranties including any implied warranty of merchantability or fitness for any particular purpose.

How to Find the Ultimate Fit

When it comes to finding work shoes that feel incredible and give you the perfect all-day wear experience, there are three main things to keep in mind:

1

Give your toes plenty of wiggle room. That means you should select a size that keeps your toes from bumping up against the end of your shoe.

2

Ensure that your heels stay snugly in place. Sliding in and out of your shoes as you walk can lead to blisters and foot pain.

3

Shop for your foot width. Most people need a medium-width shoe, so if you're not sure where to begin, start there and adjust your size accordingly.

The charts below
can help.

Just remember when
referring to the width chart -
there is about 1/8" difference
between each width.

Shoe Width Guidelines

SHOE WIDTH	MEN'S	WOMEN'S
Extra Narrow	A	4A / AAAA
Narrow	B / N	2A / AA
Narrow Medium	C	
Medium	D / M / Reg	B / M
Medium Wide	E / MW	C
Wide	EE / W	D / W
Extra Wide	EEE / EW / WW / XW	2E / EE / WW / XW / EW
2X Wide	EEEE	
3X Wide	5E	
4X Wide	6E
