Healthcare Coverage FAQ

How do I qualify for individual coverage?

You must work **80 paid hours or more a month** for 2 months in a row to become eligible for individual coverage.

How do I apply?

Apply online at myseiu.be/magnacare.

If you receive a Health Benefits Application you can mail or fax the completed application to the address or fax number on the application. U.S. postage is required.

You'll receive an application receipt by email within 1 day and a coverage decision by letter or email within 30 days. If not, call 1-877-606-6705.

When can I apply?

There are 3 times when you can apply for coverage:

- 1. Initial Eligibility:** Within 60 days of the date on your newly eligible enrollment materials. Initial eligibility is when you become eligible for the first time.
- 2. Open Enrollment:** July 1-20 each year.
If you're already enrolled your coverage renews automatically, no action is needed unless you want to make changes.
- 3. Qualifying Life Event (QLE):** Within 30 days of a QLE that changes your health insurance needs. Examples of QLEs include adopting a baby, losing other healthcare coverage or getting a divorce. For more information, visit myseiu.be/qlc.

Not Eligible Yet? You can still apply during Open Enrollment.

Submit an application* to start individual coverage when you work 80+ hours a month. Coverage for Kids begins when you work 120+ hours a month.

*If you don't currently work 80+ a month, you can't complete an application online. Request a copy of the application form at SEIU775BG-caregiver@magnacare.com.

How do I qualify for Coverage for Kids?

You must work **120 paid hours or more a month** to become eligible for Coverage for Kids.

Who can I add to Coverage for Kids?

You can add eligible children through their 26th birthday. Eligible dependent children include biological, adopted, stepchildren and children of your domestic partner.

They're enrolled in the same plan as you and can only be enrolled under 1 caregiver. Coverage can coordinate with outside plans. For more information, call 1-877-606-6705.

How do I add Coverage for Kids?

- 1. Complete the Coverage for Kids section** of the online or printed application.
- 2. Choose a coverage option:** medical and dental or dental-only.
- 3. Submit your Dependent Verification document(s)** with your application or within 60 days of applying**. Examples of accepted documents include copies of government-issued birth certificates and tax returns listing the dependents you want to add to your coverage.

**Dependent Verification is needed when enrolling children for the first time. You don't need to resubmit previously verified documents, unless requested.

Visit myseiu.be/cfk for more details:

- How to apply for Coverage for Kids.
- Who you can add to coverage.
- Submitting verification documents.

Sandra C.
Caregiver, Kennewick

When will coverage begin?

Open Enrollment: Submit applications or changes by July 20 for coverage starting August 1.

Initial Eligibility and Qualifying Life Events: Coverage begins on the 1st of the month after your application is received and processed, which takes about 2 weeks. For example, if your completed application is received:

- by March 15, coverage will begin April 1.
- between March 16 - 31, coverage will begin May 1.

Coverage for Kids can't begin until after your dependent verification is received and processed.

How do I pay my monthly co-premium?

Your employer will automatically deduct your monthly co-premium (the amount you pay each month) from your wages. If your employer is not able to make the deduction, you'll receive a self-pay letter and email directing you to pay your co-premium. You can pay by check, or using your online health benefits account.

CDWA caregivers: your first payment will be a self-pay.

How do work hours affect my coverage?

Once you're enrolled in coverage, the hours you work in one month determine your coverage status 2 months later. Example: January's hours determine coverage in March.

Work Month	Coverage Month
JANUARY →	MARCH
FEBRUARY →	APRIL
MARCH →	MAY
APRIL →	JUNE
MAY →	JULY
JUNE →	AUGUST
JULY →	SEPTEMBER
AUGUST →	OCTOBER
SEPTEMBER →	NOVEMBER
OCTOBER →	DECEMBER
NOVEMBER →	JANUARY
DECEMBER →	FEBRUARY

What if I want to end coverage?

To end coverage for yourself or your children, submit a Waive Coverage form. If received by the 15th, coverage ends the 1st of the next month. If received after the 15th, coverage ends the 1st of the following month.

Important: You can only re-enroll during Open Enrollment or after a Qualifying Life Event. Waivers received before July 1 reset during Open Enrollment. You must submit a new Waive Coverage form to keep your waiver. If you had coverage in the past 12 months, you'll be automatically re-enrolled unless you submit a new waiver.

What if I don't work enough hours?

Grace Months provide up to 2 one-month extensions of healthcare coverage each year, helping you and your dependents stay covered if you don't meet the required work hours. Learn more at myseiu.be/gm.

If you lose coverage, COBRA information will be provided if you want to continue coverage for a monthly payment. If you stop caregiving, check eligibility for Washington Apple Health or visit wahealthplanfinder.org.

Get more hours to maintain your coverage.

If you need more hours to get or keep coverage, try Carina.org, a free job-matching benefit that helps you find more clients.

Coverage for: Individual + Family | Plan Type: POS

! The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-800-370-4526. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-370-4526 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0. Out-of-Network: Individual \$500/ Family \$1,000.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Emergency care & prescription drugs are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	In-Network: Individual \$800/ Family \$1,600. Out-of-Network: Individual \$800/ Family \$1,600. Prescription drugs: Individual \$400 / Family \$800.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover & penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.aetna.com/docfind or call 1-800-370-4526 for a list of In-Network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.
